Dear Ms. Best:

This letter is regarding your Freedom of Information Act (FOIA) request, tracking number DOC-OIG-2019-001466, received by the Department of Commerce, Office of Inspector General (OIG) on June 5, 2019, in which you seek copies of records mentioning or “describing audits, reviews, investigations or reports regarding the agency's cyber security, including audits or investigations regarding the state of the agency's cyber security regarding potential attacks as well as audits and investigations conducted in the wake of a suspected or actual cyber attack, hacking incident or breach. Please include materials generated between 1 January 1996 and 30 June 2016.”

On June 5, 2019, we sent you an email requesting that you provide clarification of your request for records, pursuant to the Department’s regulations. 15 C.F.R. § 4.6(c). The email noted that if we did not receive a written response from you by July 5, 2019, we would presume that you are no longer interested and notify you that your request will be administratively closed. We have not received the written response. As a result, we are unable to continue processing this request, and we have closed this FOIA request file. If you continue to seek OIG records, you may file a new request.

You have the right to appeal this determination. An appeal must be received within ninety (90) calendar days of the date of this response letter. Address your appeal to the following office:
